

## Business Bundles

A service for every line on your business card –  
broadband, email, website hosting, phone and fax.

Perfect for small businesses just starting up, moving offices, or looking to consolidate costs and services. Gradwell's bundle packages include broadband, email, Internet telephony (VoIP), domain names, fax services, hosting, phones and a router.

<b>Standard Bundle</b>	<ul style="list-style-type: none"><li>• <b>Suitable for sole traders. £45.00 per month</b> (£90.00 up front saving and £11.00 per month saving thereafter)</li></ul>
<b>Advanced Bundle</b>	<ul style="list-style-type: none"><li>• <b>For up to three people. £100.00 per month</b> (£110.00 up front saving and £14.00 per month saving thereafter)</li></ul>
<b>Premier Bundle</b>	<ul style="list-style-type: none"><li>• <b>For teams of up to 10. £275.00 per month</b> (£300.00 up front saving and £70.00 per month saving thereafter)</li></ul>

Prices exclude VAT.

### Key features

- **VoIP:** FREE VoIP-to-VoIP calls at home, in the office and even abroad.
- **Broadband:** Great speeds. Generous Bandwidth. Perfect for VoIP.
- **Domains:** Your own professional domain name.
- **Exchange mailbox:** Business-class email and contacts, calendar and file sharing.
- **Hardware:** Phone(s) and router included.
- **Hosting:** Powerful servers for safe and secure email and website hosting.

You can keep your existing number and also benefit from Call Forwarding, Voice-to-Text and Fax-to-email services. Full range of accessories also available. See website for full details.

From the bare basics to must-have functionality – Gradwell is a leading provider with a range of suitable products.

### Key benefits

- **Up front cost savings:**  
Cheaper than buying separate products and services.
- **Free internal calls:**  
VoIP-to-VoIP calls are free.
- **Improved image:**  
Professional domain and email address. Unique numbers also available.
- **Single support team:**  
One team covers all products and services.
- **Expandable:**  
Upgrade to bigger packages when you need to.
- **Portable:**  
Take your number anywhere.
- **Flexible:**  
Easily supports home and remotes workers.
- **One local number:**  
Phone extensions in multiple locations, but looks like one office.

Save time, hassle and money with bundled packages designed especially to suit your business.

## Business Bundles

Deal with one company rather than several to consolidate your Internet communications. Be up and running in less than two weeks – even faster with priority orders.
