

Hosted Email Exchange

Business-class email to enable comms on the move.
Access from web browser, Outlook or mobile phone.

For busy business people on the road or in the office, Gradwell's Hosted Exchange allows you to get even more from your email system. Securely share contacts, files, tasks and calendars with colleagues – no matter what your location. Exchange ensures your whole business is using the most up-to-date files, and helps avoid duplication.

Advanced Exchange

- Unlimited email* £10.00 per month per mailbox

Premier Exchange

- Unlimited email* £15.00 per month per mailbox

Compatibility

- Windows, Linux and Mac. Nokia, Windows and iPhone mobiles (BlackBerry™ with Premier)

* Subject to Fair Use Policy. Prices exclude VAT.

Key features

Gradwell Exchange is compatible with Nokia, Windows and iPhone mobiles (BlackBerry™ with Premium), which enables synchronisation with Outlook. It also offers support for access from any Internet-connected PC, device or kiosk:

- Shared Outlook calendars, contacts and tasks.
- Mail Safe, back-up, anti-spam and anti-virus.
- Unlimited mailbox size (subject to Fair Use Policy).
- Permanently connected to the same secure and robust exchange server, so inboxes stay synchronised across devices.
- 30 days FREE for every new customer (Ts & Cs apply).
- FREE 24 hour initial setup.
- One FREE Outlook 2007 licence per user.
- No additional hardware/software or delivery costs.

“ Exchange enables businesses to operate remotely and stay synchronised with colleagues - the perfect business-class email package for small businesses. ”

- **Mobility:** Reduces the need to carry a laptop and offers phone based email
- **Security:** Never lose your email, contacts or calendar
- **Protection:** Protects you from spam, viruses and lost files (daily back ups)
- **Shared folders:** Avoids duplication or people using out of date files
- **Mail capacity:** Unlimited email storage
- **Powerful email:** All the benefits of Outlook 2007 included for FREE
- **Online account:** Online customer portal accessible anytime
- **Accessibility:** Access your inbox from Outlook, the web or mobile device

Safe, secure access to business critical files. In the office, on the road – anywhere.

Hosted Email Exchange

Why swap to Exchange? As well as superior uptime, reliability and security, you get greater functionality compared to POP3 and other Internet-based email accounts such as Gmail, Live Mail or Hotmail, and Yahoo etc.

Enjoy the powerful features of Outlook 2007 when used with Exchange:

- Group calendars that streamline scheduling by exposing free or busy times for your employees as well as your shared resources like meeting rooms
- Address books for maintaining and sharing company-wide contact information. Public folders for sharing and organising information
- Task lists for basic project management and coordinating activities.
